

Greetings from
St Martins Basic
Cycle School

Kairibe!!
(that's hello in
mandinka)

We are so happy to receive this food and support as it helps us grow and stay healthy. Are kitchens are very basic though and we don't have enough plates and cups to go round.

We hope in the future we can raise some money to buy enough plates and kitchen utilities for all the children here!

This is our teacher holding up a bag of rice which was sent to our school by the European World Food Programme. Because our country does not have a lot of money we have to rely on support to help ensure all the children have enough food to eat.

Here we all are in
our classroom
We are in the
middle of a maths
lesson!

Our school
must seem
very different
to what you are
used to!

So from all of us here
we would like to say
'Fowoti Kote'
(That's goodbye in
Mandinka)
